3. Pray for the youth of Haliburton to grow stronger and closer to God. Pray for Him to build up and strengthen their leaders.

### SHORT TERM MISSIONS

In November, a team from **Water Ambassadors** got on a plane and headed to Guatemala. There was a team of 8 who went, 2 of whom are from Lakeside. **Brenda Mckee** and **Danielle Foisy** stayed in a little village called Coyolote, and helped the community build bio-sand filters. It was a great week of learning the culture, meeting people who love the Lord and being able to be the hands and feet of Jesus. Lakeside church through the missions team was blessed to help fund their outreach.
