Genesis to Revelation: An Overview You are invited **Tuesday, September 16th** from 6:30 pm to 8:00 pm here at Lakeside to watch this informative video that delivers the message of all 66 books of the bible within the context of their single bible spanning story of God's love. This is a revealing and informative way to understand that the whole bible tells one story, and every book serves a unique purpose in that story. You will never look at the bible quite the same way again. Light refreshments will be available during an intermission. Invite your friends!
