MISSIONS

Medeba is this month’s Mission Partner and their mission is “To use adventure and community to challenge young people to continually say “yes” to God”. This week pray for Group Retreats that while immersed in our environment and among Gods creation many would be strengthened in their walk with the Lord. That we will be able to be a great support to the youth leaders working directly with the kids. Safety here is also important. Also pray for year round staff who serve so faithfully, that God will provide financially for this ministry, and that they would be effective in challenging young people.

The mission Team has funding available to assist students between the ages of 14 and 25, who plan on returning to school next year, wishing to work in summer ministry at a Christ-centred organization. The work placement must be a minimum of 4 weeks in duration. Please submit an application (copies available at the kiosk) to the Lakeside Mission Team before June 21st.
