MISSIONS

Rev. Jeffrey & Lydia Smith – Well of Life Community Development Inc. (www.welloflifecdi.com) – Philippines
A church was planted in 2014 beside a relocation area where they minister to impoverished children and families. They have been renting some lots for the past four years and have a building that is inadequate/unfinished. Money has been raised to expand the building while Jeffrey and Lydia were in Canada but are waiting to hear from the landowner before investing further into the property. Please pray for wisdom, favour and resources to buy either their current lot or a new lot near the one we are renting. The additional community needs that might be met by a new facility: day care centre and drug rehabilitation program for adolescents. Please pray they will have a greater impact on the people living in their community and the ones struggling with promiscuity, prostitution and addictions will be delivered and begin to follow Jesus.
