MISSIONS

Daniel and Helen Bravo - Latin American Mission Canada – www.lamcanada.ca – Baranquilla, Columbia – Daniel and Helen have been working with a network of churches and leaders to encourage, prepare and equip them to support arriving families through initiatives for the most vulnerable such as providing food clothes and kits for newborns and their mothers and initiatives to help them generate income. More help is needed as the number of refugees increases every day. It has been a challenging experience for them because it is easy to lose heart as they look around them. They imagine they feel a bit like that boy who in the face of immense need handed over his basket of a few loaves and fishes to Jesus and waited in the hope that He will perform a miracle. Please pray for the church in Columbia so they can extend compassion and love to those arriving. Pray for provision of resources and opportunity so those arriving can restart their lives.
