

After Service Prayer

Immediately following the morning service, members of the Prayer Team are available to meet and pray with you at the front of the church beneath the Cross.

Parking

Our upper parking lot is needed by those with mobility issues to enter the auditorium on ground level. If you and your family can use the stairs, please park in the lower/front lot.

Note: We have been asked by our neighbours at Parklane Apartments not to park in their visitors parking during our services, as this parking is for their visitors.

Additional parking is available at the old Shoppers Drug Mart location, or on Victoria St across from the laundromat.

Mission Partner Prayer

David and Margaret Hinds – Youth With A Mission – Kenya Uganda – www.ywamcanada.org

Please pray for safety in travel. They take public transportation – coach buses or Mtatu (large passenger van) from place to place. Many of the nationals consider it dangerous but it is simply necessary. Because they are never stationed in one place the whole time, additional finances are needed to provide for these travel expenses in country. They really appreciate prayer for God's provision. Another area of prayer is health. Last year was the first time ever for them to have any illness. Malaria and general flu like symptoms persisted for a couple of months. Please pray for protection from any sickness or disease.
